Sanitizing Footbath Mat - Tall Wall

Group 222-TW

Sanitizing footbath mats by Wearwell are designed to keep hygienic areas free of debris and germs. If you have been wondering what you can do to help prevent dirt and germs from entering your home or workplace the sanitizing foot mat is the answer. Placed at the entrance of sensitive areas, these floor mats are particularly effective for protection in food production, commercial kitchens, labs, healthcare and for any bio-sensitive industry.

Simply fill the floor mat with germicidal solution and step through to decontaminate shoe soles or boots. **Sanitizing foot mats aid in destroying viruses, bacteria, and microbes with ease.**

- Tall wall sanitizing foot mat includes pliable 1/2" rubber scrapers on mat surface to dislodge contaminants from shoes and boots
- We recommend [PortionPac](#) germicidal cleaner that contains a pre-measured EPA registered disinfectant
- Use a simple soap solution for your home and pets
- Use stronger sanitizing chemicals to protect from viruses and bacteria
- Natural rubber sanitizing mats are chemically resistant to common disinfectant solutions
- For best decontamination, shoe soles must be immersed for one minute
- Floor mat available with black or yellow safety border

Type	Contamination Control
Suitable Environment	Wet
Customization Level	Standard Sizes Only
Solid or Drainage	Solid
Compound	Grease Resistant Natural Rubber
Recycled	>33%
Warranty	1 Year

Property	Test / Result
Flammability	DOC FF 1-70 / Meets this specification
Taber Abrasion	Not Available
Temperature Range	10 to 120 F
Coefficient of Friction	ASTM F1677 / Dry: COF = >1.0 / Wet: COF = .98
Compression Deflection	Not Available
Tear Strength	Not Available
ESD Rating	Not Available
Dielectric Strength	Not Available
