Mud Chucker

Group 229

There's an easy way to prevent outdoor mud and dirt from getting inside your home, office or commercial building. The Mud Chucker Boot Scraper is made for the job. A shoe scraper mat rids dirt from the sides and bottoms of boots and shoes. **Helps keep your facility cleaner, improves safety at entranceways and lowers your buildings maintenance costs.**

Plus, for even more challenging outdoor entrance areas, use Mud Chucker boot scraper mats in conjunction with an [entrance mat](#) for added protection and safety. Can be bolted down for a permanent application or used as a portable entrance mat.

Q.) How much mud can a mud chucker chuck? A.) A lot!

- Ideal for outdoor entrances
- Made from natural durable rubber compound - resists harsh elements
